Attorney Docket No. Q66385

REMARKS

Reconsideration and allowance of this application are respectfully requested. New claims 14-17 have been added. Claims 1-13 have been canceled. Claims 14-17 are now pending in the application. Support for the newly added claims is found in the specification on at least page 20, line 14 to page 21, line 4.

Claims 14-17 are believed to be in condition for allowance. The cited references do not teach or suggest every element of the claimed invention, as recited by each of claims 14-17. In particular, none of the cited references teach or suggest, *inter alia*, that additional information including registration number, titles and texts is displayed, and a tag is embedded in each registration number such that when a registration number is selected, transmittal letter information corresponding to the selected registration number is displayed.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.
